

## Bishop Olugbenga Gbenga

Talented Visual Brand and Ui Ux Designer with over 5 years experience working on both personal projects and helping to build brands with my exceptional creativity.

### EXPERIENCE

Product Designer | Ingeniousdev,  
Nigeria

February 2022 - Present

I created stunning and functional User Interface and User Experiences. Satisfying users was my main focus while working with the brand.

Lead Designer | BOG visualz, Nigeria

November 2017 - Present

I create beautiful and attractive designs that convert for brands, businesses and individuals.

Lead Designer | Wireless Generation  
Geng , Nigeria

September 2020 - Present

Event branding was what i offered to the brand, creating amazing designs for the brands yearly even as well as managing their media team during the events.

Media Team Leader | COHG Higher  
Ground, Nigeria

November 2019 - December 2022

I served in my local church's media team during my stay in school, i created beautiful designs for the parish with the help of my team members.
